### **Cautionary Statements**

This material may include forward-looking information within the meaning of applicable securities laws including information concerning the business and future results of Algoma. Forward-looking statements in this material include statements about the purchase of vessels by Algoma. Readers are cautioned to not place undue reliance on forward-looking information. Actual results and developments may differ materially from those contemplated by this information. The statements in this material are made as of the date of this release and are based on current expectations. Algoma undertakes no obligation to update forward-looking information, other than as required by law, or to comment on analyses, expectations or statements made by third-parties in respect of Algoma, its financial or operating results or its securities. Algoma cautions that all forward-looking information is inherently uncertain and actual results may differ materially from the assumptions, estimates or expectations reflected or contained in the forward-looking information, and that actual future results could be affected by a number of factors, many of which are beyond Algoma’s control, including economic circumstances, technological changes, weather conditions and the material risks and uncertainties identified by Algoma and discussed on pages 11 to 15 of Algoma’s Annual Information Form for the year ended December 31, 2010, which is available on SEDAR at [www.sedar.com](http://www.sedar.com).
